

The American Association of Variable Star Observers

PUBLICATION SUBSCRIPTIONS – 2018

The following publications are available on a yearly subscription basis. The subscription period is from Jan 1 – Dec 31. Subscription renewals will be sent out in November for the following year and payment is due by Jan 1.

Rates given below include first class or airmail postage.

Journal of the AAVSO

Published semi-annually and contains the results of work on variable stars, mostly by AAVSO members. (*Volume 46, Issues 1-2; 2 issues/year; approximately 100–200 pages each*)

USA: \$100	Canada/Mexico: \$110	Elsewhere: \$130
------------	----------------------	------------------

AAVSO Bulletin

Published annually and contains the predicted maxima and minima dates of approximately 370 long period and semi-regular variables. AAVSO observers use this publication extensively, as do astronomers in scheduling both ground-based and satellite observations. (*Number 81; 1 issue/year; 11 pages*)

USA: \$60	Canada/Mexico: \$70	Elsewhere: \$85
-----------	---------------------	-----------------

AAVSO Solar Bulletin

Published monthly and contains information on solar activity (sunspots and solar flares). (*Volume 74, Numbers 1-12; 12 issues/year; approximately 4-6 pages each*)

USA: \$70	Canada/Mexico: \$80	Elsewhere: \$90
-----------	---------------------	-----------------

AAVSO Publication Package:

This package includes a one year subscription to each of the following publications:

- Journal of the AAVSO (*described above*)
- AAVSO Bulletin (*described above*)
- AAVSO Solar Bulletin (*described above*)
- AAVSO Newsletter (*Numbers 75-78; published quarterly; usually 10-20 pages*)
- AAVSO Annual Report (*2016-17 issue; published annually; approximately 70-100 pages*)

USA: \$255	Canada/Mexico: \$285	Elsewhere: \$335
------------	----------------------	------------------
