TELESCOPE LOANS, Charles E. Scovil, Chairman

All useable telescope outfits have now been loaned out except for two small refractors of 2.4" and 3.3" aperture, and two mirrors of unknown quality, 8" and 10" in diameter. The 11 1/4" mirror mentioned in the last report has recently been loaned out and the recipient is building a mounting.

Cyrus F. Fernald has generously donated his Springfield-mounted 8" telescope to the Association. It has been loaned to Chandler Holton, of South China, Maine.
