

## Sponsoring AAVSO's Annual Meeting

Our 113th Annual Meeting provides the unusual opportunity to showcase your products and services to a unique audience of active citizen scientists. Our attendees are practicing astronomers, who not only purchase equipment themselves, they also recommend products to others within their network.

The two-day gathering, which will feature keynote lectures by professional astronomers, member presentations, an award ceremony, poster papers, and multiple networking events, will be held at the [U.S. Space & Rocket Center](#), in Huntsville, Alabama on November 8 – 10.

*We will make every effort to maximize your organization's exposure—before, during and after the event.*
