

## The American Association of Variable Star Observers

### PUBLICATION SUBSCRIPTIONS – 2019

The following publications are available on a yearly subscription basis. The subscription period is from Jan 1 - Dec 31. Subscription renewals will be sent out in November/December for the following year and payment is due by Jan 1.

**Rates given below include first class or airmail postage.**

#### Journal of the AAVSO

Published semi-annually and contains the results of work on variable stars, mostly by AAVSO members. (*Volume 47, Issues 1-2; 2 issues/year; approximately 100–200 pages each*)

USA: \$100	Canada/Mexico: \$110	Elsewhere: \$130
------------	----------------------	------------------

#### AAVSO Bulletin

Published annually and contains the predicted maxima and minima dates of approximately 370 long period and semi-regular variables. AAVSO observers use this publication extensively as do astronomers in scheduling both ground-based and satellite observations. (*Number 82; 1 issue/year; 11 pages*)

USA: \$60	Canada/Mexico: \$70	Elsewhere: \$85
-----------	---------------------	-----------------

#### AAVSO Solar Bulletin

Published monthly and contains information on solar activity (sunspots and solar flares). (*Volume 75, Numbers 1-12; 12 issues/year; approximately 4-6 pages each*)

USA: \$70	Canada/Mexico: \$80	Elsewhere: \$90
-----------	---------------------	-----------------

#### AAVSO Publication Package:

This package includes a one year subscription to each of the following publications:

- Journal of the AAVSO (*described above*)
- AAVSO Bulletin (*described above*)
- AAVSO Solar Bulletin (*described above*)
- AAVSO Annual Report (*2017 -18 issue; published annually; approximately 70-100 pages*)
- **PLEASE NOTE: The AAVSO Newsletter has now been discontinued**

USA: \$255	Canada/Mexico: \$285	Elsewhere: \$335
------------	----------------------	------------------
