Note from Headquarters: Effective with this issue of the Journal*, we are beginning the transition of the publication of Business Items (Minutes of Meetings, Committee Reports, Treasurer's Reports, and the Director's Annual Report) from* JAAVSO *to a separate* Annual Report *on the Association. No semiannual reports or Minutes from the Spring Meeting appear in this issue. The next issue of the* Journal *(35,2) will contain annual reports as well as Minutes from the Spring and Annual Meetings. Thereafter, the* Journal *will contain no Business Items. It will thus not be tied to a specific meeting of the AAVSO, and will therefore be much easier to keep on a regular publication schedule.*
